### *Changes for Customers*

**Venice**-The Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

In the Venice area, the driver license office located at 1212 Jacaranda Boulevard will close on Friday, June 27, 2008. The closest state office for customers is located at 601 S. Pompano Avenue in Sarasota. Customers who only need to renew, or new residents who are transferring their out-of-state driver's license, can use the Downtown Sarasota Office of the Tax Collector in the Terrace Building at 101 S Washington Boulevard. Please note that these offices charge an additional fee of \$5.25 per driver license transaction. Employees at the Venice office will be transferred to other driver license offices to continue offering exceptional customer service.

"The Department wants to encourage customers to skip the trip and take advantage of convenient online services. Customers can conduct driver license business online at [www.flhsmv.gov](http://www.flhsmv.gov) where various services are available. Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their address," says the Division of Driver Licenses Director Sandra Lambert. "If a customer has received notification from the Department that they need to visit an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment is another time saving tool for customers."
